<http://igmlnet.uohyd.ac.in:8000/NACMEIR.html>

Hyderabad was established in the year 1591 A.D. It is a twin city consisting of Hyderabad and Secunderabad with good historical and sight-seeing places. It is a good tourist center & shopping place for jewelry, pearls & textiles

About University

The University of Hyderabad (UoH), one of the major institutions of higher education in India is largely devoted to postgraduate studies and is widely known for its excellence in research and for its distinguished faculty. With 46 different Departments and Centres organized in 13 Schools of study, the University has over 400 faculty and over 5000 students. The University offers close to 150 different programmes of study ranging from doctoral studies to Masters level degrees, as well as a range of post graduate diplomas and short term courses by Distance mode. It also has a thriving Five year Integrated Masters Programme. The University hosts an ever increasing number of foreign scholars in the highly popular Study in India Programme: Grade A, which is the highest was awarded, by the National Assessment and Accreditation Council (NAAC). The University is counted among the top 100 in Asia in many of its academic areas of study.

Indira Gandhi Memorial Library

IGM Library is one of the important central facilities of the University catering to the information needs of faculty, research scholars and students. The library also created learning environment by establishing Online Public Access Catalog (OPAC) Searching Area, Internet browsing area for accessing e-resources, Laptop zone with Wi-Fi facility, specialized workstations & software for visually-challenged students. The library with its excellent IT infrastructure facilities has achieved several distinctions. It is the first university library to -

- ◆ Fully automate its house keeping operations and undertaken turnkey projects for computerizing other libraries Subscribing online search databases since the year 1998 and full text databases from 2001
- ◆ A Resource Centre for INFLIBNET's Document Delivery Services
- ◆ Be one of the participating libraries for creating a Universal Digital Library.
- ◆ Contribute theses to UGC INFLIBNET's Shodhganga Project
- ◆ Start Post Graduate Diploma in Library Automation and Networking (PGDLAN) under Distance Education mode from 1998 with greater emphasis on practical aspects
- ◆ Install electronic surveillance, security system and 100 KW Solar Power System.
