

## University of Hyderabad Indira Gandhi Memorial Library

Library Website & Library OPAC

---

### Please Note

#### Library Website:

The website is designed and developed by the IT Section, Indira Gandhi Memorial Library to provide the information about the library collections of resources in print, disk & online, hyperlinks to other website resources, full text digital documents in PDF format and library catalogue, and the services as well as the ways to use them.

#### Catalogue:

University Library Web OPAC (Online Public Access Catalogue) powered by VTLS Software Pvt. Ltd. Noida. Catalogue provides metadata for all the types of resources and links to e-resources & full text PDF documents of Theses, Dissertations, project reports as well as digitized books,.

#### Hyperlinks:

External website links (URLS) are used for the electronic databases, electronic resources subscribed by the library, and accessible through INFLIBNET's eShodhsindhu Consortium (Formerly UGC Infonet E-Resources Consortium/UGC Infonet Digital Library Consortium) and also the Open (Free) resources, as per the information and links available from time to time.

#### Digital Full text (PDF) Documents:

(University Documents, Library documents and other book publications)

- University documents: Theses, Dissertations, Project reports, Annual Reports, Convocation addresses & Reports
- Library Documents: User Guides, Compiled Lists of Ph.D. Theses & Journal Back volumes, Library Forms, Vendors List
- Digitized books out of copyright (old books published 60 years before for which reprints/later editions are not seen published) or copyright permitted.

#### Permission to use IGM library website:

It is permitted to link IGM library website by other websites or blogs or post the link/s on any other social media for only academic purpose.

- ❖ Content of the website can be reproduced, if necessary only after taking proper permission from the library acknowledging the source. The content reproduced should be accurate and not to be misleading or misinterpreting.

## Library Policy

- ❖ Library makes every efforts for updating the information and links periodically on website as and when new items are included or any modifications necessitated.
- ❖ Library ensures the availability of information & resources at the links posted and currency of the content on this website.
- ❖ Library abides to the copyright policies and implements while hosting the digital documents available to the public through website & online catalogue as per the information available on the date.
  - However, the discrepancy if any is noticed, it may please be brought to the knowledge of the Library.

## Disclaimer

- ❖ Library cannot guarantee the availability of information & resources at links given to external websites, as it has no control over such linked pages.
- ❖ Library is not responsible for the change of content/removal of content from the linked (external websites) and also does not endorse the views expressed within them.
- ❖ Regarding the digital documents available through website/catalogue, library does not assume any legal liability or responsibility for the accuracy, completeness, or usefulness nor privately owned rights, if any.

The errors, obsolete links, discrepancies, if any found, may kindly be brought to the notice of the Library to enable us to incorporate corrections and necessary updates
