Most of our subscriptions are the online basis (e-journals/database) from foreign publishers and the payments are being made through online transfer directly to the publishers and the prices are determined/negotiated by MHRD Consortia (UGC-Inflibnet, eShouhSindhu), we are following the same. The majority of our print subscriptions are from Indian publishers, particularly in Indian languages. Very few journals are from foreign publishers since most of the foreign journals are available online.

The above-mentioned publishers/suppliers/vendors shall be operated for another three years and the same list shall be available on Library Webpage for the official purpose/of selecting the vendor/supplier.
